MISSION STATEMENT

THE ISTITUTO AVVENTISTA DI CULTURA BIBLICA IS AN ADVENTIST EDUCATIONAL CENTER DEEPLY ROOTED IN THE HIGHEST CHRISTIAN VALUES. OUR ACTIVITIES, WHICH ENCOMPASS STUDY AND RESEARCH, SERVE AS A REFLECTION ON LIFE AND A PROCLAMATION OF FAITH IN THE EVERLASTING GOSPEL. OUR MISSION IS TO NURTURE HOPE IN THE IMMINENT KINGDOM OF GOD, FOSTERING THE PURSUIT OF KNOWLEDGE AND THE EMBODIMENT OF LOVE WITHOUT RESERVATION OR DISCRIMINATION. WE ARE COMMITTED TO SUPPORTING A CHURCH THAT IS ATTENTIVE TO THE NEEDS OF THE MOST VULNERABLE AND TO WORKING TOWARDS A MORE JUST SOCIETY.

MESSAGE FROM THE PRESIDENT

David Romano,
Adventist theologian,
teaches history of
Christianity and
dogmatic theology at
the Adventist Faculty of
Theology, director of the
Adventist Institute.

Dear Students,

For the 2023-24 academic year, our central theme is “joy.” I won’t dwell on convincing you about the positivity and significance of this emotion. Many of you are youthful, full of hope for the future, and have already encountered numerous reasons to embrace this wonderful feeling. However, the joy we aspire to experience in the coming year isn’t just any joy; it’s a joy rooted in the discovery of the Kingdom of God.

In our quest for joy, we draw inspiration from the analogy in Matthew 13:44, where a hidden treasure is found in a field. This discovery might seem accidental at first, almost like a stroke of luck. However, to me, that man appears more as a seeker than a farmer or builder. He tirelessly searches and ultimately finds the greatest treasure of his life. Overwhelmed with irrepressible joy, he willingly sacrifices everything he has to obtain that field.

Our students, metaphorically speaking, are seekers as well. Those who dedicate themselves to their studies seek to refine their research methods and achieve results. A university community provides the ideal “field” in which to test research hypotheses and advance in both personal and academic growth. Nevertheless, our ultimate aspiration is to guide you towards the discovery of a timeless Kingdom – the Kingdom of joy, often depicted in the New Testament as a grand wedding banquet: the Kingdom of God.

Only then will we collectively realize that our quests were not in vain, and our discoveries were not mere accidents of fate but meticulously planned and prepared by our Lord. Those who earnestly seek the Kingdom of God are found by the Kingdom of God, as Saint Augustine wisely put it, *“You wouldn’t be looking for me if you hadn’t already found me, if I hadn’t already found you.”*

So, let us make our final preparations, like reserves of oil for our lamps, and embark on this extraordinary journey. The path has already been charted for us. Therefore, banish fear and make room for joy.

Wishing you all a pleasant journey ahead.

Academic Rules

All information contained in this booklet **MUST BE READ**. Please keep it for further reference since you will need it during your stay at Villa Aurora.

Registration

Prior to arrival, each student must send a scan or image of their passport to the DiLCAI office so the resident permit process and tram pass process can be initiated. Once students arrive, they must bring their physical passport to the registrar's office for official photocopies to be made; after which the original will be returned to the student. If needed, personal photocopies of the passport can also be made. Important documents or other valuable objects may be deposited in a safe. The University is not accountable for any theft that takes place in the dorm rooms, so do not take any unnecessary risks. Students are encouraged to lock their rooms when they leave.

Orientation

The first day of school is dedicated to the students' orientation. Details on these procedures are given upon students' arrival on campus.

Interviews

Prior to arrival, students will be given a list of available courses in order to plan their academic year. We strive to keep students informed and up to date with course information to avoid any conflict or misunderstandings on the way to reaching their goals. If students are interested in a minor or major

Academic Rules

(from participating home universities) they will be presented with the requirements for those plans of study. Students should always keep in contact with their home schools and keep them informed of their plans.

On arrival, each student will be interviewed by the language teachers to give them a better understanding of the student's interests, goals, and needs regarding the Italian language. This interview also helps the teachers to form the different language class groups.

Didactic material (books, folders)

Students will receive the following material: a tote bag, books, a pen and pencil, a notebook, the student guide (available digitally or a physical copy upon request) which must be read closely, the lesson schedule for the term, forms to be signed, and other information.

Worships

This time will be dedicated to a brief worship with songs and where teachers and students can share their personal experiences. Students will lead out the morning worship following a rotating schedule that will be posted at the beginning of each quarter. We think that it is important to dedicate some time every day to spiritual life. Administrative announcements will also be made, and it is very important that students do not miss the information given during this time.

Throughout the week, we will dedicate moments for brief worship sessions accompanied by songs, allowing our staff, teachers, and students to share their personal experiences. As time progresses, our students will take the lead in morning worship on a rotating schedule, which will be posted at the beginning of each quarter. We believe it is essential to allocate time every day to nurture our spiritual lives. Additionally, important administrative announcements will be made during these

Academic Rules

gatherings, so it is crucial for students not to miss this vital information. Therefore, we highly recommend that every student attends these worship sessions to enrich their spiritual and social life here at Villa Aurora.

Our main spiritual meetings are as follows:

Monday, 8:15-8:45 pm – school wide worship;

Tuesday, 9:00-9:50 am – worship with DiLCAI students and staff;

Tuesday, 9:50-10:40 am – worship with Theology students and staff;

Friday 8:30 pm – Vespers

Sabbath 10:00 – Talk about it: special sabbath school meeting on campus

Sabbath 11:00 – Church meeting in the main church (Once a month, we will hold a special church service on the campus grounds, titled “Sabato del Campus”)

Break

There will be a 15 minute break at 10.40 am every day.

Electronic devices

Computers, iPads, and cell phones cannot be used in class unless it is allowed by the teacher, as it does not aid you in learning the lesson.

Homework

Students must complete their homework on time in preparation for that day's lesson. Homework will be checked for completion in class, and the correct answers will be given. If students require a more in-depth explanation outside of class, teachers will be available to help during tutoring hours. A timetable for each teacher's availability outside school will be posted.

Academic Rules

Tests

Test dates will be posted on the main bulletin board during the first week of classes. Since language is constructed using the building blocks of grammar, material from previous lessons will be present along with new material on each exam. Students who are not present on the day of the test will receive an 'F'.

**In case of illness, verified by the deans, and with written authorization by them, teachers will evaluate the case and they will decide if the test can be rescheduled or not.*

**Special cases can be discussed with the teachers before the scheduled date.*

Exams

Depending on the course, these exams may be unit exams or they may cover all information presented that quarter. More information about the exams will be found on the board.

Final grades

For most courses the grades will be given according to the syllabus and according with the teacher's discretion, considering the performance of the student including participation and punctuality. Final grades for grammar, conversation, and some other courses are calculated this way:

Grammar:

10% attendance and participation

10% homework

40% tests average

40% final exam (Listening & Reading 40% + Grammar 60%)

Academic Rules

Conversation:

20% attendance and behavior

30% active participation in the various activities

50% final exam

Absences

The following absence policy applies to all classes regarding the Italian language (grammar, composition, etc.). All other classes have their own policy which will be outlined in the course's syllabus.

The learning environment for language acquisition diverges from what students might be accustomed to. Active participation in classes is of vital importance, as students engage in collaborative learning with their peers and teachers. Attending classes regularly is vital for individual success and keeping pace with the course. Each student's presence is crucial for fostering a supportive and effective learning experience. Thus, students that are continually absent and/or unprepared hurt not only themselves, but also hinder their classmates as the teacher must use class time to re-explain material that has already been covered. With this in mind, the absence policy is as follows:

- Absences up to 20% of the total hours of the course are tolerated as long as students catch up for what they have missed. For example, if a course meets for 30 hours during the trimester, this means that six missed hours are tolerated. **NOTE:** an absence on a day with two hours of the same class will result in two absences for that class.
- For courses that meet 12 hours or less per quarter, students can ONLY miss ONE class (more details will be provided in the syllabus).
- **It is the student's responsibility** to get the information on the lesson missed, homework as-

Academic Rules

signed, and to keep up with the class. If the student returns to class unprepared then the absence will not be excused and will affect their grade.

- Three (3) tardies are equal to one (1) absence.
- After 5 minutes students will be considered tardy and after 15 minutes they will be considered absent.
- Each absence beyond 20% of the total course hours will lower the grade component encompassing attendance by a letter grade (e.g. A to A-).
- If students are absent for over 50% of the entire course, they will fail the course. This policy also applies to non-language classes.

We ask students to please be mindful of not planning personal trips during tests, exams, and special events on campus (see the year schedule)

Registrar

COURSE POLICIES

Full Time Student Requirements

Students must take a minimum of 12 (and a maximum of 18) credits each trimester to be considered full time. Because of ACA regulations, we cannot guarantee that credits above 18 will be accepted by the respective schools.

If students wish to take more than 18 credits, they must provide Villa Aurora with a written permission from their university registrar, to avoid having those credits renounced by their school upon their return. This written approval will be attached to the transcript.

It is recommended that students take at least 15 credits, and not the minimum of 12 credits. Students that take only 12 credits, risk losing their full time status if they fail a class due to unforeseen events such as absences for sickness or other circumstances, **this may have some effects such as losing student loan funding.**

Add/Withdraw Policies

If a student wishes to drop or withdraw from a course, they must first inform Antonietta, the director, who will then record the students' withdrawal on the necessary documents.

Students can withdraw from any course with no further consequences. However, withdrawals within 6 weeks of classes will automatically receive a "W". After 6 weeks, the grade for any withdrawal will be an "F". Withdrawals must be discussed on a case-by case basis with the professor and director. If a student wishes to join a course already in session, they must first obtain permission from the course instructor to see if it is still possible to do and then inform the Language Department Director. This must take place within the first weeks of the trimester.

Elective Courses

An elective course will not be offered unless there is a MINIMUM of 5 students signed up for it or if there is a special need.

When a course, whether required or elective, is CROSS-LISTED, please indicate to your instructor and the DiLCAI's director your credit preference (HIST, ART, HMEC, LITT, etc.)

Auditing Courses

After reaching the required minimum of 12 credits, students may choose to audit (AU) existing elective classes for no academic credit. Students may only audit a course from the beginning of the class within the add/withdraw time period, and not as a mid-quarter option. The attendance policy still applies just as if it was taken for regular credit, however homework and tests will not be required. (See pg. 10, "Absences")

Students who are already taking 18 credits will still be allowed to audit elective courses but they will be asked to pay out of pocket for the material used in class and for any additional activities such as museum visits.

Additional Certification

Subject to scheduling availability, at the end of the year, students will have the opportunity to take the state-certified PLIDA exam, which acknowledges their proficiency in the Italian language.

Students who wish to take advantage of this opportunity are required to attend all the preparation classes offered during the second and third quarter.

The PLIDA (Progetto Lingua Italiana Dante Alighieri) certificate is an official Diploma issued by the Società Dante Alighieri under an agreement with the Ministry of Foreign Affairs and with the academic approval of the "La Sapienza" University of Rome. The PLIDA is also recognized by the

Registrar / Course policies

Ministry of Labor and Social Policies and by the Ministry of University and Research as a qualification for the facilitated university enrollment of foreign students.

There are 6 levels, from elementary to advanced.

Almost every one of our students in the past has passed their respective level. Usually students take anywhere from A2 to C1. B2 or C1 will allow most students to waive the language requirement to enroll in Italian Universities. These levels have been established by the European Union.

A1	Beginning Italian
A2	Elementary Italian
B1	Fundamental Italian
B2	Advanced Italian
C1	Professional Italian
C2	Mother language (Mastery)

PREREQUISITES

Course/ prerequisites

THE DILCAI'S GOAL IS TO PROVIDE STUDENTS THE OPPORTUNITY TO FULFILL THEIR ACADEMIC NEEDS AND INTERESTS. FOR THAT REASON, THE DEPARTMENT GIVES STUDENTS TWO DIFFERENT OPTIONS TO PLAN THEIR ACADEMIC YEAR AT VILLA AURORA:

1. LANGUAGE EMPHASIS:

for those who wish to deepen their Italian language knowledge or students wanting to obtain a minor or a major in International Studies with emphasis in Italian if they're offered by their home school.

2. ART EMPHASIS / GENERAL EDUCATION EMPHASIS:

for those who wish to get a minor in art or want to take advantage of the art electives and the many general education courses. Students who choose this option may not be able to follow the same rhythm of the students who choose the language emphasis.

THE TEXTBOOK USED BY THE DEPARTMENT FOLLOWS THE EUROPEAN FRAMEWORK (WHICH LEVELS ARE A1, A2, B1, B2, C1, C2), THEREFORE THE DILCAI HAS ESTABLISHED THE FOLLOWING PREREQUISITES TO MOVE ON TO NEXT LEVEL.

FAQ

FREQUENTLY
ASKED
QUESTIONS

FAQ Frequently Asked Questions

How are the class groups formed?

Students will have a brief interview with the teachers who will then decide which group to place students in. Decisions are based on the student's current level of Italian, other languages spoken, and personal goals.

What if I get placed at the wrong level?

During the first week, any student who feels that they have been placed at the wrong level can request that the director review his/her situation. More information will be given during orientation.

What classes will I take?

Every quarter, students will meet with the DiLCAI's director to choose the courses they want to take. According to their language level and the electives chosen, students will be registered to attend several hours of classes each morning which will help them to learn Italian grammar, composition, conversation, art, and culture. In the afternoon students will be able to attend diverse workshops such as Sculpture, Fashion, and Mediterranean Cuisine, among others.

Can I audit classes?

After reaching the required minimum of 12 credits, students may choose to audit (AU) existing elective classes for no academic credit. To audit a class, students should indicate this at registration or within one week of the start of the trimester. The attendance policy still applies just as if it was taken for regular credit, however homework and tests will not be required. Students who are already taking 18 credits will still be allowed to audit elective courses but they will be asked to pay out of pocket for the material used in class and for any additional activities such as museum visits.

FAQ Frequently Asked Questions

What happens if I miss a class?

Unexcused absences or incomplete assignments will lower the student's grade. It is the student's responsibility to figure out what was done in class and be ready for what's due the next day.

- Three tardies will be considered an unexcused absence.
- Students who miss 50% of the class will receive a failing grade and will not be able to withdraw from the class.
- Please note that written excused absences due to illness or medical reasons can only be issued by the campus deans. If you find yourself in such a situation, we request you to reach out to the respective campus dean for assistance.

And if the teacher is absent?

Students are required to wait a minimum of 15 minutes; after that, if the teacher has not arrived or sent a message for the students to wait, they should inform Antonietta or her assistant. If the absence is prearranged, the teacher will find another time to make up the class according to your schedule.

What kind of credits will I receive?

- For students coming from the U.S.A. or Canada through A.C.A. Students will receive a composite grade if they are in beginning (A1-100) or intermediate (A2-200) level, or a grade in each subject if they are in advanced (B1-300) level. In either case, they will receive a total of 12-18 quarter hours of credit or 6-9 semester credits, according to the courses taken.
- For students from other countries Students from other countries will receive a document, in the language of their preference (English or Italian), certifying their participation in the course, the

FAQ Frequently Asked Questions

grades or marks received, and the level of the European Framework.

How will I receive official transcripts?

- ACA students

At the end of each quarter, Villa Aurora will send all transcripts to the ACA headquarters in Maryland. Then ACA will send these transcripts to the students' home universities. Once this takes place, these transcripts will become a part of the student's permanent record at his/her home college. Transcript from the student's home university will include the grades received through ACA at Villa Aurora.

- Students from other countries will receive an official record of their work at the end of the year.
- All students normally receive an unofficial copy of their grades each quarter.
- Additionally, during the graduation ceremony at the end of the school year, students who have finished the school year satisfactorily will receive a certificate of completion of the program

Rules for campus life

These few, simple rules are here to help make your stay at Villa Aurora a pleasant one. Please, do your best to respect them. We ask that you keep this booklet available for further reference during your stay.

Rules for campus life

Arrivals/Departures

Students enrolled in the ACA program are permitted to stay on campus, with no additional charge two nights earlier than the official published arrival date, and two nights after the official published departure date with meals included. For any days exceeding the published dates, an additional charge, which includes the room fee, will be required. If necessary, students may make arrangements with the administration AHEAD OF TIME to be able to stay longer, if there is space available.

** Note: We hope that students have already received this notice in the Informational letter we send to future students before they arrive on campus. If you are already on campus, please pay specific attention to the departure information.*

Expected behavior and disciplinary action

Students are expected to respect themselves, others, as well as the school. They are expected to act in accordance with the principles of the Adventist church and its life style. Therefore, smoking, alcohol and drug consumption are forbidden both on and off campus. In case of deliberate disobedience to any of these rules, the deans will speak with the student about the situation. He or

she may be subject to loss of privileges, such as that of going off campus, financially sanctioned, or through campus community service. If the deans consider the fault to be of extreme gravity the student will be called for a meeting with the school discipline committee. The student may be expelled and sent home before finishing his or her program of studies, at his or her own expenses and without receiving any kind of refund.

Honesty

Theft, lying, fraud, and any other forms of dishonesty destroy trust and friendships. In such cases it may be necessary for the Deans to intervene.

Room Deposit

The room deposit is a total of 60 euros per quarter. It covers any potential damage done to the room and extra punitive fees such as: damage to the laundry materials, keys, badges, room furniture, as well as disciplinary sanctions such as missing curfew. The deposit will be given back to the student the day of the departure by the campus deans.

Social, spiritual and cultural life

The school is part of the Seventh-day Advent-

ist educational system, and as such one of our goals is to help the student grow spiritually. In view of this goal, we consider it important for the student to attend the worship programs organized by Villa Aurora and the church.

- A brief morning worship is held according to the weekly schedule. Your presence is required and important as this time is also used to share information and announcements. Students are strongly encouraged not to miss this important moment.

- Monday evening worship at 8:00 pm is required, and attendance will be taken. If you are not present, every two worships missed a month will result in disciplinary action. Friday night vespers are not required but strongly encouraged.

The student will attend the Spiritual activities such as meetings during Week of Prayer and other meetings organized that are of significance to the Institute and the local Florentine church.

Students are encouraged to participate in the spiritual, cultural, and recreational activities organized by our School Dean and Chaplain.

It is important to maintain a spiritual attitude during the Sabbath hours as would be expected at any Adventist institution (Friday sunset to

Rules for campus life

Sabbath evening). Proper behavior on campus is a sign of respect as well as personal activities.

Cafeteria

Three lacto-ovo vegetarian meals are served each day. For lunch and dinner we serve one first course, a second course, fruit, bread, and salad. Students should keep in mind that there may not be as many options as on their home campus and the types of food served may be different from what they eat at home. We ask students to have an open mind and enjoy our traditional Italian food. *In case of allergies, specifically food but also any other types, we ask students to please contact and inform the deans as soon as possible.

Bringing the trays, the silverware, or dishes outside the cafeteria is PROHIBITED.

It is forbidden to enter the cafeteria outside of the scheduled times.

It is forbidden to bring big objects, dirty or clean laundry, and etc. into the entrance of and in the cafeteria. Jackets and coats must be hanged on the hooks outside while bags and backpacks must be put into the cubby holes or on top.

Sabbath Volunteering Every member of the Villa Aurora community, including students and staff, is requested to help in the cafeteria on Sabbath.

A rotation system will be implemented and explained. We thank students in advance for their willingness to volunteer their services.

Dorm Rooms and bathrooms

The bedrooms can be personalized as long as the decorations are not permanent and easily reversible. You may not tape, tack or pin anything to the walls. Trash from rooms must be separated into the appropriate waste bins located around the dorm according to the indications given by the deans

Everyone is responsible to clean and take care of his/her own room and bathroom.

Dorm life at Villa, similar as in a family, means that every student collaborates and helps out by cleaning and taking care of the room and services entrusted to him/her. In the event of non-compliance, the student will be summoned and penalized by the deans depending on the gravity of the situation. The dean or assistant dean will come every Friday afternoon to check that the room is clean and tidy.

We enforce cleanliness not only for aesthetic reasons, but also to help students maintain a healthy atmosphere. Living in a dormitory, it is easy to spread germs and create epidemics. Therefore we ask students to do their best to

keep their areas clean. Students will be provided with a broom, mop, bucket, cleaning supplies, toilet paper, trash can and liners, hand soap, light bulbs, fan and anti-mosquito plugs. Students are responsible for purchasing any other things that they might need or want (tissues, hand vacuum, soap/body wash, etc.).

For security reasons, hygienic concerns, and organizational standards the following is NOT ALLOWED:

- Keeping perishable food in rooms instead of the dorm's fridge
- Bringing outsiders into the dorms without the deans' authorization
- Entering the room of someone of the opposite sex without the dean's permission
- Taking laundry, blankets, furniture, and other things owned by Villa Aurora out of the dorms
- Using electrical or gas appliances for cooking in the dorms
- Using fire in any way
- Camping in any form on campus without prior express consent Deans are authorized to enter and inspect any and all rooms with or without notifying the inhabitants of the room. We try to respect one's privacy but inspecting for banned substances, unforeseen problems

Rules for campus life

that may occur, or simply general inspections are part of life here at Villa Aurora. Anyone who transgresses even just one of these rules will suffer a disciplinary action or economic sanction that the deans will decide.

Storage

Personal effects may not be stored in the halls or public spaces in the dorms, specifically the drying of clothes must be done in rooms, or in designated areas. Nothing should ever be put outside of the windows or balconies, including, but not limited to, shoes, and clothes.

School's Safe

Villa Aurora is not responsible for theft within the rooms. Therefore, the first rule of security is to close and lock the door when students leave their room and to always have their key with them. Lost room keys will cost 7 euros each. In addition we suggest that students do not leave items of value in plain sight. Students who have something they believe should be placed in the school safe, are asked to speak with the deans about it. It is advisable to use the safe for money, important documents, and objects of value.

ACA rules regarding security abroad

For all personal travel, students MUST inform the deans in writing of where they plan on traveling to, the dates they will be gone, and how they can be reached if necessary. This decision was voted on by the board of ACA at the request of the American universities for the students' security.

This information will be only used in case of emergency and is restricted to the deans and the director.

Quiet Time

All residents of the campus are obliged to respect quiet time in the dorms and common areas. From Sunday to Friday from 10:00 pm to 07:00 am. On Saturday from 11:30 pm to 08:00 am.

Curfew

Curfew is at 11.30 pm from Sunday to Friday. Curfew on Saturday night is extended to 1.00 am. For health and safety reasons, every student is absolutely required to respect curfew. Access to the Buildings on campus

Some of the buildings within the campus have an alarm connected to a private security company that will intervene if any alarm were to go off. Furthermore, there are doors that must remain closed and will sound an alarm if opened for a prolonged period of time. The two alarmed buildings are the school and the multipurpose building. The porch behind the cafeteria is alarmed as well.

Therefore, these buildings and spaces may not be entered from 12:00 am to 6:00 am (if there are any variations they will be communicated). Some staff members will be authorized by the administration to access these spaces and they will have to turn off the alarm and set the alarm the moment they leave the building. Unauthorized personnel that enter these buildings during closing hours will make the alarm go off and the security will come to investigate. The security will write a report and we will charge 20 Euros to the person/persons responsible for setting off the alarm. It is also forbidden to close the security doors that are held open with magnetic power (except for authorized staff members) or keep doors open with various objects such as boxes, door stops, and etc. if they are meant to be closed.

Rules for campus life

If any of these things mentioned above are done there will be an administrative fine. Within the campus not everyone may access all of the buildings whenever they want. Both students and staff members are invited to access buildings or inner spaces only if they're there to work or for academic reasons or because they live there. This will help the management of the spaces, to keep everything in order and clean, and will respect the service given by staff members. For this reason, the keys will be handed out depending on the use and need of each personnel. Specific needs will be decided by the administration; therefore, it is forbidden to lend or share keys, badges, and access codes with others. In case of loss of a key or a badge it must be communicated to the person directly in charge and to the administration. The responsibility of paying for a lost key/badge or changing the keyhole is given to the person that lost the key.

For the safety of the students, it is forbidden to enter places where there is a sign prohibiting access. Anyone surprised or seen in those places will be summoned by the deans and punished with a disciplinary action decided by the deans such an administrative fine or community service hours.

For security reasons and decorum, to move around campus people must use the inner streets. It is prohibited to take short cuts around flowerbeds, hedges, fences, fields, or agricultural land, etc.

QUESTIONS

FAQ Frequently Asked Questions

What does the program price include?

When you pay the program price you are paying for transportation to and from the local airport or train station at the beginning and end of the program, tuition, your Personal Account, books used for classes, meals, your room, bed linen, laundry services, Internet service, day trips, and cultural visits, and a monthly tram pass. Students only need to bring money to cover their own personal expenses. If students are interested, there may also be a few optional activities throughout the year. These events will be specified in the calendar given at the beginning of the course. Students who decide to participate in these activities will pay the cost out-of-pocket.

What if I withdraw from the program?

Students withdrawing early from any quarter must immediately notify the ACA office in Maryland indicating the date of withdrawal from the program and their expected date of arrival back home. In order to expedite the determination of any refund, prior to leaving the international school, students need to ask the Director of the ACA program at the host campus to send the ACA office the following information as soon as possible:

1. An ACA withdrawal form indicating the date of withdrawal, reason and any pertinent information.
2. The balance on the students' personal accounts. All refunds of any balance owed to students from their personal accounts **MUST** be done by the host campus, not by ACA. **ALL REFUNDS** (including tuition, room & board, unused tour fees and any unused portion of the personal account deposit) are made by the international school directly to the student and must be received prior to the student's departure. ACA is not responsible for refunds left uncollected by the student.

The total ACA charges for students withdrawing early will include the non-refundable \$100 deposit plus a proration of the total term's charges based on the length of stay in the program and in the dormitory as determined by the international school. Prepaid tour fees may not be refunded by

tour providers and thus may not be refunded to the student. **No refunds for tuition or room and board will be given after the student has completed ONE MONTH of the academic quarter.**

What is my Personal Account at Villa Aurora?

Your personal account is similar to a safety deposit. It is a sum of 60 euros per quarter that you study at Villa, set aside from the program price, and held by the accountant to cover any loss or damage you may incur to any part of school property. This assures that the items provided to you by the school (i.e. linens, towels, laundry tokens, keys, books etc.) are returned in good condition.

If you have broken or damaged anything, the money to fix or replace that item will come out of your personal account.

***For the 3rd quarter:** BEFORE it is possible to collect the sum, you must have your room cleaned and left in the same condition it was in when you moved into it. You must also have returned all of your towels and sheets in good condition to the laundry, and your KEYS to the dean. The dean must make an inspection of your room before the final deposit can be returned to you. In the event that there is damage done which exceeds the sum left in your deposit when you leave, you may be asked to pay out of pocket to fix or replace the item(s).

What happens if I need medical attention while at Villa?

If you feel sick, contact your dean immediately. A doctor will see you if you wish, and if not, the dean will try to make you comfortable and check on your progress. Class absences will not be excused unless the dean has been informed at once.

Do I have insurance coverage at Villa Aurora?

ACA students are covered by ACA/ARM insurance. Villa Aurora will advance the money needed to

FAQ Frequently Asked Questions

momentarily cover any costs incurred because of illness or accident. However, with the help of a dean, students will need to fill out the insurance forms as soon as possible, for the students to be reimbursed by ACA. While you are traveling (apart from school activities), the school cannot pay for any medical expenses. However, if you go to a doctor for medical help and pay out of pocket, turn in the receipts to dean so that you can be reimbursed by ACA. Therefore be SURE to get the bill from the doctor, otherwise ACA will not be able to reimburse you.

Students from the European Community should bring with them a letter from the Social Security Offices of their country in order to be able to receive medical attention in Italy (form E111). Any other students coming from outside of the European Union and the United States of America should request insurance coverage for accidents and illness from their own insurance company before arriving in Italy.

What does insurance cover?

Insurance covers all emergency-type incidents and medications necessary to treat them. This coverage begins 15 days prior to arrival on campus and lasts 15 days after departure. For more details, please ask the ACA office.

*It does NOT cover over-the-counter medication (Nyquil, allergy medication, nonprescribed medicinal creams, and non-prescription drugs), or treatment of chronic or preexisting illnesses.

*It does NOT cover any normal dental or eye work and examinations, regularly scheduled medical examinations, unless they result from an accident that occurred while as a student here

Is there a dress code?

As a Christian educational institution, Villa Aurora has established a dress code emphasizing modesty, cleanliness, neatness, and professional appropriateness. Students must comply with the following dress code:

1. Clothing should reflect modesty and professionalism and be worn appropriately.
2. Recreational apparel such as swimsuits or exercise clothing should be appropriate and modest.

Is worship required?

The school is a part of the Seventh-day Adventist educational system, and as such one of our goals is to help students grow spiritually. In view of this goal, we consider it important for the student to attend the worship programs organized by Villa Aurora and the church:

- A brief morning worship is held every morning according to the weekly schedule. Your presence is required as this time is also used to share important information and announcements. Announcements made during this time won't be repeated. If a student is absent, it is their responsibility to obtain the information from their fellow classmates.

FAQ Frequently Asked Questions

- Monday evening worships, held at 8:00 pm, are also required. Attendance will be taken. Attendance to Vespers on Fridays is highly recommended. These services are planned specifically for the students and are an opportunity for students to get to know each other, as well as faculty and staff.

Do I have to clean my room?

Yes. Rooms are to be kept neat at all times. Room check will be done every Friday afternoon.

Dorm life at Villa, similar as in a family, means that every student collaborates and helps out by cleaning and taking care of the room and services entrusted to him/her. In the event of non-compliance, the student will be summoned and penalized by the deans depending on the gravity of the situation.

Where can I withdraw money?

Students can find ATM machines in all the banks in Italy and at some convenient stores. Bank of America cardholders can withdraw money from BNL ATMs without additional fees. There is a BNL ATM machine near the school in Viale Morgagni.

Can I take weekend trips?

In order to spend the night outside of the dorms, students under 18 must request permission from their dean before leaving campus, and must be accompanied by their monitor or an adult.

Additionally, minors will be asked to have their parents sign a minor disclaimer form.

Students over 18 who make plans to leave campus overnight should inform the deans ahead of time in writing with the dates and destination of their trip unless it is for an activity organized by the school. This information will be only used in case of emergencies and is restricted to the deans and the directors. Students are welcome to use Facebook, Telegram, WhatsApp, etc. to communicate this

to the deans. Failure to notify the deans may result in disciplinary action.

Can I stay at the school during Christmas break?

If you wish, you may remain at the school during your Christmas vacation but you must notify the administration of your stay AHEAD OF TIME. During Christmas vacation, the school (including the dormitories and the cafeteria) will have a different service. Please check with the deans, so you must make previous arrangements with the dorm and kitchen staff to use these facilities.

Is there a laundry service?

The school will provide you weekly with clean sheets, pillow cases and towels. You will wash and dry your personal laundry by yourself. The school will provide you with four tokens per week and a key card for the laundry room, washing machine, and dryer. An assistant will help you learn how to use the machines. For more information, see Laundry Rules.

Is Internet Available?

According to Italian laws, students must come to the school office with their passport to get personal user name and password in order to get Internet service. Once this is done, Wi-fi is available in the school building, cafeteria, library and dorms.

Are there mosquitoes?

Every year we bring pest control to exterminate the mosquitos, because unfortunately we do have many mosquitoes in the area when there is warm weather, however the deans provide each room with a mosquito-killing plug-in and you can find bug spray in different stores.

FAQ Frequently Asked Questions

Who do I ask if I need light bulbs, toilet paper, etc.?

If you have any problem, need anything, or have something that needs re-pairing, contact one of the deans or assistant deans. You may speak with them or send them a message using Telegram, WhatsApp, etc.

Are there stores nearby?

There are many stores and shops near Villa Aurora which sell a variety of products. If you are looking for something specific, you may want to ask a dean or teacher. The nearest grocery stores are Carrefour Express, Coop, and Conad. They sell non-food items as well. If you would like to buy toiletries (shampoo, deodorant, feminine hygiene product, toothpaste) of a brand you are familiar with, you may want to go to a "Profumeria." In viale Morgagni there is a store called CADDY'S which sells toiletries, cleaning supplies, etc. at great prices. For school supplies we recommend a "Cartoleria".

Is the water safe to drink?

Yes. All the campus water has been treated and is safe to drink, although some may find that the water doesn't have a pleasant taste. The water with the most complete treatment and best taste is available in the cafeteria and in the school building.

Is dating allowed on campus?

A Christian school is a wonderful place to make new friendships, and many of them will last a lifetime. We do ask however, that, if you enter into a relationship while at Villa, you always maintain an attitude of respect, both to the person you are dating, and to those around you. Excessive PDA is discouraged.

If, for any reason, your parents decide to send you extra funds while you are here, there are a couple of ways to do it:

- Perhaps the simplest way would be for them to transfer funds directly to your bank account, which you can then withdraw from an ATM here.
- It is also possible to make a Bank Transfer. If you choose to do so, you should make use of the following information:

SWIFT/BIC: BCITITMM

To the name of Istituto Avventista di Cultura Biblica - Via del Pergolino 12 - 50139 Firenze They also have to write the purpose of the money transfer and the student's in the corresponding section. This way makes it easier to know who is the recipient.

You should tell the school accountant you are expecting the transfer, so that he can watch out for it and tell you when it arrives.
